

BRING THE 3Rs TO LIFE

with CEES at Burwell House

RIVERS

Supporting Geography

Find out about rivers using images and models, then explore the River Snail at a safe site for field work investigations.

ROMANS

Supporting History

Train to be a Roman soldier. Join your cohort, appoint your standard-bearer, learn the marching song then follow the trail and tackle the challenges along the way to earn your pay. Compete in chariot racing and try your hand with wax tablets, stuffed dates, and other workshop activities. You'll even learn some Latin too.

Rocks

Supporting Science

Use rock sets and microscopes to investigate appearance, texture, hardness and permeability, meet Percy the Plesiosaur and look at the uses of rocks in the built environment.

CEES Day Courses at Burwell House are full day programmes led by CEES' qualified, experienced teachers. All activities are risk assessed, and learning objectives are identified. CEES' wide variety of teaching and learning resources is used to bring topics to life in the inspirational environment of Burwell House.

In addition to the courses above, the following day courses are also offered for key stages 1 and 2:

- ◆ Investigating minibeasts
- ◆ Exploring plants
- ◆ Maps, trails and treasure
- ◆ Teddy bears' picnic
- ◆ Art through the environment
- ◆ Exploring a locality
- ◆ Making sense of our environment
- ◆ Investigating habitats and food chains

CEES' charges for Day Courses, 2011 – 12:

£290 per class per day,
maximum 34 children per class
