Schools Open Evening - Weds 28th September

The St Ives Green House provides an inspirational learning environment for key stage 1, 2 and 3 pupils. It supports curriculum studies by allowing pupils to see for themselves how the environment may be improved and sustained by making changes within the home.

Teachers and Governors from Cambridgeshire schools are invited to book a visit between 4.00 - 7.00pm on Weds 28th September to find out more about the project and how a visit can benefit your pupils.

Simply call 01480 388304 or email Heidi.Field@huntingdonshire.gov.uk with the time you'd like to attend.

Guided tours are being held at 4.30 and 5.30pm.

1 St Audrey Lane, St Ives PE27 3XF

Information and resources for the evening have been provided by the following partners...

Bedfordshire
Cambridgeshire
Northamptonshire
Peterborough
