

For healthy eating in inspirational surroundings, "The Crunchy Carrot Café" provides a child-friendly, welcoming environment for our home cooked meals.

The well-equipped classroom contains interactive white board, laptops, visualiser, microscopes, reference books and field studies and data collection equipment. Next door the lounge has comfy seating with TV, DVD player, games and reading books.

As an award-winning Eco Centre, Stibbington's ethos encourages all residential visitors to take part in Eco Action and to learn about sustainable lifestyles during their stay.

The imaginatively designed centre grounds include trim trail, mini veg plots, picnic tables, wildlife garden, renewable energy installations and extensive playground markings

The Centre can accommodate up to 34 children in small bedrooms for 3 or 4, with adjacent single rooms for up to 4 adults.

The enclosed wildlife garden is ideal for on-site learning activities. Nearby, other locations that are perfect for supporting learning across the curriculum include: a 40 acre wetland nature reserve; an ancient woodland; the River Nene and a small tributary; the village and church; a disused quarry; and a working farm.
