

An invitation to

Eco-Schools Inspiration

- Between March and June 09 a series of twilight workshops around Cambridgeshire will share good practice and provide guidance for those who are interested in the National Eco Schools Green Flag Award and DCSF's Sustainable Schools Framework.
- The 5 venues selected for the workshops are schools where work on Eco / Sustainable Schools has begun.
- Each session will run from 4 until 6pm and will include a two-part programme:
 - ✓ An opportunity for representatives of the host school to share their work, and
 - ✓ Focus on an Eco Schools theme and associated teaching and learning resources, led by CEES Eco Schools Assessors and other specialists.
