

EMBEDDING BRITISH VALUES THROUGH GEOGRAPHY & HISTORY

A course for teachers and subject leaders of primary geography and history

on Wednesday 13 June 2018, 1.30 - 4.30pm

at Arbury Primary School, CB4 2DE

Course leaders: Helen Johnston, Deputy Head of CEES and Primary
Geography Adviser, and Andrew Wrenn, Independent History Consultant

Are you confident in your teaching of British values?

Does the label British make you uneasy?

Do you want to dig deeper than the single display in the school
reception and lone page on the website?

Then this course is for you!

This afternoon course will explore the extent to which British values overlap with universal ones. It will present practical ideas for how primary geography and history can help to embed them at the heart of the curriculum.
