

Rivers Day Course Y5, Stibbington

The programme was exactly what we wanted. Great leadership and great practical work. Actually using river vocabulary in real life made a huge contribution to pupil progress.

Evacuation Day Course Y6, Stibbington

Everything was excellent. Children were fully engaged throughout. The programme gave children an in-depth understanding of life as an evacuee in WWII.

3-day Residential Y3, Stibbington

Fantastic leadership, well resourced, delicious, healthy food, brilliantly pitched learning activities for our science and geography curriculum.

Written feedback from teachers

WWI Day Course Y3, Wisbech

A great start to our topic. Practical activities including washing, drill and semaphore were all very successful.

Plants Day Course Y2, Burwell House

Learning outcomes very successful. The lovely gardens were perfect for enhancing children's knowledge of trees and plants.

Science CPD Course

The practical activities and ideas to use in the classroom were great. An excellent range of equipment and very good leadership.

3-day Residential Y5/6, Stibbington

Outstanding programme and excellent contribution to pupil progress. Learning activities designed to take maths outdoors were particularly successful: applying skills and solving maths problems in the real world.

Victorian Day Y2, Stibbington

Admin was helpful and well organised. The children loved every minute of the programme and the CEES teacher established a great relationship with them.

Badger's Day Out R, Stibbington

The children responded so well to the CEES teacher and learnt so much. All abilities were catered for. The children have not stopped talking about the day.

SPECIAL EVENTS AND COURSES FOR SCHOOLS

Date	Event	Venue
1 Dec—16 Dec	TRADITIONAL CHRISTMAS themed days for KS 1 and 2, including Victorian-style Christmas crafts and re-enactments, and CHRISTMAS NATIVITY themed days for Reception and KS1, including bringing the Christmas story to life in the environment.	Burwell House, CB25 0BB Stibbington Centre, PE8 6LP
Thurs 2— Fri 3 Feb	SCHOOL COUNCILLORS' CONVENTION A two-day, residential programme of activities within an Eco theme , for small groups of KS2 children from 4 / 5 different schools.	Stibbington Centre, PE8 6LP
Mon 13 to Fri 17 Mar	Science workshops in schools for BRITISH SCIENCE WEEK CEES teachers will bring all the resources needed to lead specialist science workshops in schools.	In schools
Wed 29 Mar	GREEN DAY An opportunity for School Council or Eco Council or Garden Club groups of 8 KS2 children from lots of different schools to share a one-day programme of eco-inspiration.	Stibbington Centre, PE8 6LP

GENERAL INTEREST AND COMMUNITY EVENTS

Date	Event	Venue
Saturday 24 September	ENAMEL JEWELLERY WORKSHOP with Louise Denney. A one day introduction to making enamel jewellery. You will prepare the metal base, apply the enamel, learn about decorative techniques and kiln fire your items.	All general interest and community events: Stibbington Centre, PE8 6LP
Sunday 30 Oct	CRAFT MEDLEY An afternoon workshop enabling you to try different techniques. You will leave with a few finished items or maybe a single, larger item featuring all of the skills learned (and an idea as to which crafts you may want to pursue further!)	
Saturday 26 November	FELTED PICTURES with Eve Marshall. An afternoon workshop showing you how to use the techniques of wet and needle felting to produce a picture. You will leave with a finished picture and 6 inch frame to set it off to advantage, just right for a special present or decoration.	
Sunday 4 December	CHRISTMAS WILLOW with Sue Kirk. An afternoon workshop enabling you produce seasonal items which you will be tempted to keep out after Christmas is over!
