Would group leaders please ensure that bus drivers have access to this information?

CEES Upware Centre is located in south east Cambridgeshire, east of the A10 between Ely and Cambridge.

From the A1123, take the exit signposted Upware. On reaching Upware village, turn right at the point where the road bends sharply to the left. Upware Centre is the old Victorian school building between the telephone box and the only pub (signpost at corner).
